A Letter to Farmers.

We have received the following World's Fair Commission, 14 Laclede building:

Sr. Louis, Oct. 16, 1901. To the Farmers and Fruit Growers of Missouri:

Our legislature has provided very

iberally for a presentation of the resources and products of our great state at the coming World's fair, and it is the intention of this commission JACKSON, MO., OCT, 31, 1901. that our agricultural display be second to none. To accomplish this we WE will soon have two as good must have the co-operation of the individually and collectively. We want you to help us get together the EDITOR HOLMES, of the Pied. cream of the products of the field, the orehard, the meadow, vineyard and garden; a collection which will demonstrate just what each county in the state is capable of producing and does produce when farmed inthe state. We want every farmer to be on the lookout for fine wheat, fine THE republican party in this corn, grasses, beans, and in fact county has a good majority and everything produced from the soil. nothing should be done that will If you have raised something which you know will be a source of pride to your county and a credit to yourself, preserve it and write us what you have. If conditions justify we will

display at the fair, with proper credit to the county and the producer. At least half a bushel of each samthanks for a copy of the "blue ple of wheat, a bushel of corn and a good-sized bundle of the various grasses, and where practical to preserve them, a half bushel of apples

peaches, etc., should be preserved. This has been a great wheat and Thus is he punished for the fruit year for our state, and as we have but the crops of 1901 and 1902 to select from, it behooves us to pre-IT is said, "young men for serve the best from this year's crop war and old men for office." A to goard against a crop failure next proper blending of these two year; and we issue this appeal with kinds of people are essential to the assurance that every farmer in the state will begin at once to keep Detachments his eyes open for something which will add to his state's display, and to this end we carnestly invite your

co-operation. Col. G. W. Waters, institute orture, has been authorized to represent the commission at the institutes, THE commissioners of the in the matter of bringing before

> We will be glad to hear from every farmer with any suggestion that may e of interest. Sincerely B. H. BONFORY, M. T. DAVIS,

Secretary. President County Correspondence.

CRUMP. October 29.-The rain some time ago was not amiss, as the wheat seems to look more promising now than before the rain. Most people that had wheat des-troyed have sowed over. The Tucsday, October 22, 1901; worms damaged some meadows as

of the democratic party did the this year. There was more corn fodder saved than usual on ac-

Booker Washington to dine with add to his increasing droye. Colhim, but we believe that if the bert has the largest wheat crop true facts were known, that the that he ever put out and will Tuesday and Wednesday, October in the proper way, and it has then he will lack only one thing.

for possum and sweet potatoes are "lam up" together. This year, however, you will have to ship, take possum alone. We think it 1901; will be all right, anyway.

Freeman Jones has quit the factory and gone to tie hacking. Manuel Kinnerson is seen quite ship, Friday, November 8, 1901,

he has lost his job being the can learn of the show they are laziest man in town since Mr. Dunn came to town. We hope Mr. Rhodes will not be entirely 14, 1901; selves properly that they will be out of employment, as there may protected, for we have a marshal be a chance for him to get a job Friday and Saturday, November BLUE JOHN.
